Dear Sir:

I am in receipt of your letter of Feb.16 in which you ask about an opportunity to try out with The Eagles.

In view of the story you outline to me, I believe the way I could help you most would be to let you come over to Newark when we return to the city from training, and let you work out with the team some day. Do you have any way of getting into condition. You would have to work out at the "Y" or in the park if possible, so that your muscles will be loose and in condition to play.

The Eagles leave for training camp April 8th, and will train in Virginia, but we cannot take all the men who write us for a trail. If we take a rookie to camp he has been recommended by someone we know, as being a good looking prospect.

I am sure we will be around here during May enough for you to get a chance to work with us. If this proposition interest you I will look to hear from you.

Very Truly Yours
